- Manifestarea a debutat în anul 2001, an care a fost declarat de Consiliul Europei **Anul european al limbilor vorbite**. De atunci, în fiecare an, la 26 septembrie, în fiecare din cele 45 de state membre ale Consiliului Europei, se sărbătorește **Ziua limbilor vorbite**.
- În Europa se vorbesc 24 de limbi oficiale, dar există și peste 60 de comunități autohtone care vorbesc o limbă regională sau minoritară.
- Cei 800 de milioane de locuitori din 47 de State membre ale Consiliului Europei sunt invitați să învețe mai multe limbi, la orice vârstă, atât la școală, cât și în afara ei. Diversitatea lingvistică reprezintă cheia unei mai bune comunicări interculturale și este unul din elementele principale ale bogatului patrimoniu cultural al continentului, Consiliul Europei încurajează plurilingvismul în Europa.
